The screenshot shows a web browser displaying the Building Alliance website. The browser's address bar shows 'isur.uk'. A cookie consent banner is visible at the top of the page. The website's navigation bar includes links for 'I'm a: LEARNER', 'WORKER', 'EDUCATOR', and 'EMPLOYER', along with 'About us', 'Register', and 'Login'. The Building Alliance logo and Birmingham City University logo are also present. The main navigation menu includes 'BUILD YOUR FUTURE', 'EMPLOYERS', 'EVENTS', 'LEARNERS', 'NEWS', 'WORKERS', 'DIRECTORY', 'EDUCATORS', and 'CONTACT US'. The main content area features a large image of a construction worker in a hard hat and safety glasses. A dark overlay on the image contains the text 'EMPLOYERS TITLE' and 'Employers sub-title here'. To the right, a red box titled 'I'M LOOKING FOR...' contains a list of links: 'Advice for students', 'Advice for people already in employment', 'Advice for educators', 'Advice for employers', and 'How to become a member'. Below the image, a yellow banner displays the word 'NEWS' and a 'See more news items' button. The Windows taskbar is visible at the bottom of the browser window, showing the search bar and various application icons.
